Mr. Royzenshteyn did not consent to the exchange and reserves all of his rights with respect to these transactions and the Business Combination.
- (e) During the past five years, Mr. Royzenshteyn has not been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to any civil proceeding of a judicial or administrative body of competent jurisdiction and, as a result of such proceeding, was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 5. Interest in Securities of the Issuer.

As of the date hereof, Mr. Royzenshteyn beneficially owns 6,055,385 shares of Common Stock of the Company, constituting 18.42% of the issued and outstanding Common Stock, based upon 32,873,457 shares of Common Stock estimated outstanding as of March 5, 2021. Mr. Royzenshteyn did not consent to this allocation and reserves all of his rights with respect to all of these transactions and the Business Combination.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

At the closing of the Business Combination (the "Closing"), the Company and the Onyx stockholders receiving shares of Common Stock as consideration (the "Onyx Holders"), including the Reporting Person*, entered into a Registration Rights Agreement (the "Registration Rights Agreement") to provide the Onyx Holders with registration rights with respect to certain outstanding shares of the Common Stock and any other equity security of the Company issued or issuable with respect to any such shares of Common Stock by way of a stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation or reorganization (the "Registrable Securities").

Pursuant to the terms of the Registration Rights Agreement, the Onyx Holders are entitled, after the expiration of a lock-up, to request (i) up to three written demands for registration, (ii) "piggy-back" registration in connection with any proposal by the Company to file a registration statement under the Securities Act of 1933, as amended and (iii) Form S-3 registrations, all subject to certain minimum requirements and customary conditions. The Registration Rights Agreement provides that the Company may defer registration: if (A) during the period starting with the date 60 days prior to the Company's good faith estimate of the date of the filing of, and ending on a date 120 days after the effective date of, an initiated registration by the Company and provided that the Company has delivered written notice to the Onyx Holders prior to receipt of a demand registration and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable registration statement to become effective; (B) the Onyx Holders have requested a registration in which securities of the Company are sold to an underwriter in a firm commitment underwriting for distribution to the public and the Company and the Onyx Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (C) in the good faith judgment of the Company's board of directors such registration would be seriously detrimental to the Company and the board of directors concludes as a result that it is essential to defer the filing of such registration statement at such time. The Registration Rights Agreement provides for a lock-up period in which the Onyx Holders shall not transfer any shares of Common Stock issued to such Onyx Holders in connection with the Business Combination prior to the earlier of (i) the first anniversary of the Closing, (ii) the date, following the 180th day after the date of the Closing, on which the volume weighted average per share price ("VWAP") of Common Stock equals or exceeds \$15.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like), (iii) the date, following the 270th day after the Closing, on which the VWAP of Common Stock equals or exceeds \$13.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like), or (iv) the Company's completion of a liquidation, merger, stock exchange or other similar transaction that results in all of the Onyx Holders having the right to exchange their shares of Common Stock for cash, securities or other property.

*The Reporting Person did not execute the Registration Rights Agreement, but became party thereto by the effect of a proxy. The Reporting Person did not consent to the terms and conditions of the Registration Rights Agreement and reserves all of its rights with respect to that agreement and all of the transactions in connection with the Business Combination.
